## Bar Europa

82-88 Elizabeth Street, city. Phone: 9232 3377.

This bar is welcoming rather than a holding pen for men in suits and girls in stilettos. No flash decor, just dark walls, sensible seating and two bars. The main bar is filled with speed daters so we head for the back bar and perch on a leather bench. A vodka martini (\$16.50) is punchy and a frosty Peroni (\$8.50) is poured at the table. There's a modest cocktail list but an extensive tapas menu. Salt and pepper squid (\$16) arrives with impressive speed and is superb.
